Groups

You have the “Groups” section in the dropdown menu.

This section allows you to create collaborative groups in order to share the bulletins you want.

The screenshot shows the BulletinWizard dashboard. At the top right is a user dropdown menu with options: john.doe@adventos.com, Settings, My Bulletins, Groups (which is highlighted in blue), and Log out. A large circular callout highlights the 'Groups' option. Below the menu, there's a logo for 'BulletinWizard by SMARTFORCE' featuring a wizard hat icon. The main content area has a heading 'Create the right Bulletins every time in half the time!' and a sub-instruction 'Click on one of the templates below to get started'. Three template cards are displayed: 'Officer Safety Template' (with a preview showing a 'SITUATIONAL ADVISORY' for Irving Police Department), 'Pattern Template' (with a preview showing a 'HOTSPOT - RESIDENTIAL BURGLARIES' report for Beat 25: Heritage District), and 'BOLO Template' (with a preview showing a 'WANTED - UP TO \$2,500 REWARD' for a robbery pattern).

Groups | Create Group

You can create your groups with any name as long as it is unique.

Important: Only the owner can invite members.

The screenshot shows the BulletinWizard interface for creating a new group. At the top, there's a navigation bar with the logo and some links: 'Pattern / Location', 'Officer Safety', 'BOLO', and an account dropdown for 'john.doe@adventos.com'. Below the navigation, the word 'Groups' is displayed next to a green 'CREATE GROUP' button. A large white modal window is centered over the page. Inside the modal, the text 'Type your group name' is above a text input field containing 'LibertyPD'. Below the input field, a note says '(32 characters limit)'. At the bottom of the modal are two buttons: 'Create Group' (green) and 'Cancel' (white). Below the modal, a message reads 'You don't have any group yet' followed by the sub-instruction 'Create the group in order to invite the users you want to share the information.'

Groups | Invite Users

Once the [group is created](#) you can invite members. They will receive an email with the invitation. When they accept it, they will be part of that group to view and edit bulletins.

The screenshot shows the BulletinWizard interface for managing groups. At the top, there are navigation tabs: Pattern / Location, Officer Safety, BOLO, and a user account dropdown for [john.doe@adventos.com](#). Below these, the main area displays a list of members under the heading 'Groups | LibertyPD | Members'. The 'Members' tab is selected, showing one member: [john.doe@adventos.com](#). A modal window titled 'List Your Guests' is open, containing two input fields with the emails 'paul@adventos.com' and 'michael@adventos.com'. At the bottom of the modal are two buttons: a green 'Send Invitation' button and a white 'Cancel' button. To the right of the modal, a large green button with a plus sign and the text '+ Invite Users' is circled in white. In the background, other sections like 'Bulletins Created' and 'Latest Bulletin' are visible, along with a status indicator 'Active' and a red 'Delete group' button.
